

Available for 71mm, 73mm or 76mm cups

Drink Choice

For a delicious and refreshing hot drink, this feature packed semi-automatic machine offers a wide choice of 5 selections and a total capacity of 305 in-cup drinks (525 when fitted with capacity upgrade.)

Simple Operation

Drink selection is simplicity itself with an incredibly user friendly push button system. Indicator lights guide the user through every step of making their chosen drink.

Sugar & Water

Hot water as standard, both ambient and refrigerated cold water options are available. Water selections can be programmed to provide free on demand or one-touch automatic cup fill. Electronically controlled internal sugar dispenser, available for either pre-packed bottle or large size refillable jar.

Coin Control

Free vend machine as standard. Can be specified to have electronic coin mechanism or full change-giver. Price of each drink choice can be individually set. Separately lockable cash box. I-Key cashless payment system compatible.

Other Features

Convenient internal stir stick dispenser. Digital credit display with full audit facility to monitor the quantity and value of drinks taken. Perfectly interfaces with IceBreak, SnackBreak MINI, WaterBoy and SnackBreak machines. Incredibly user friendly, high capacity and feature packed.

I-Key cashless payment system compatible

Very high capacity when fitted with capacity upgrade option

Ambient and chilled cold water option available

The Style 5 combines the very latest technology with the well proven and accepted 'traditional' semi-automatic machine format. Featuring extremely good looks, high capacity and simplicity of operation, this machine is ideal for a whole variety of users.
